MITS SCHOOL OF ENGINEERING

INNOVATING BRIGHT MINDS TO INHERIT THE FUTURE

A CONSTITUENT COLLEGE OF

MITS GROUP OF INSTITUTIONS

Approved by AICTE, New Delhi &
affiliated to SCTE & VT, Odisha
ISO 9001 : 2008 Certified Institutes

Dear Parents and Students,

My hearty welcome to all of you to MITS family as well as to MITS School of Engineering, Janla, Bhubaneswar. You have rightly chosen MSE, Bhubaneswar for purusing technical education to fulfil the dreams of your parents. But it is your prime duty as a student to be regular in studies. In MSE, our teachers are dedicated and ready to guide you round the clock for your betterment in all spheres. This year many students of MSE, Bhubaneswar got placement in national level organizations, industires. I wish the same success for all of you.

Prof. Debasis Sahoo
Principal, MSE

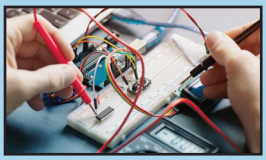

Odisha's Top Diploma College

MITS School of Engineering is the second diploma college of prestigious MITS Group. It has well planned buildings which includes multi storied main building housing classrooms, state of art laboratories, library, seminar hall, examination hall, drawing hall, canteen, garden and offices, etc. MSE has the advantage of location which makes it a preferred choice. The future goal of MSE is to be the No.1 polytechnic college of Odisha. The high speed infrastructure and human resource development is the priority of the institute. MSE also follows the quality process created by its sister institute MITS Engineering College to maintain a high standard of diploma education.

Courses Offered at MSE

▪ Civil Engineering	:	40 Seats
▪ Electrical Engineering	:	60 Seats
▪ Mechanical Engineering	:	120 Seats

First Semester Diploma Course

Pass in HSC examination conducted by BSE, Odisha / 10th Standard examination declared equivalent by BSE, Odisha and obtained at least 35% marks at the qualifying examination with pass in both Maths & Science subject.

Computer & Internet

The computer lab at MSE is having 90 Intel processor machines with latest configuration. It is fully equipped to handle all the computing needs of the students and faculties of MSE. It is divided into two separate labs and also has 2 Mbps leased internet connectivity.

Department of CIVIL ENGINEERING

Civil engineering department was started in order to plug the gap in manpower shortage. Civil branch has been the mother of all engineering branches and has a great future. The rapid pace of modernization makes it an attractive branch to study as placement potential of the branch to study as placement potential of the branch is also high. The staff and laboratories are in a accordance with the norms laid by AICTE. In order to ensure high standard the laboratories are constantly upgraded.

Department of ELECTRICAL ENGINEERING

Electrical engineering is an integral part of the modern day engineering institution and it plays inevitable role to nurture technocrats. The department helps to maintain the right blend of theory and practice to enable students to have a firm grasp of the basic principles in enhancing their practical ability. Since its inception, the department has progressed rapidly and is now regarded as one of the premier department of this college.

Department of MECHANICAL ENGINEERING

Mechanical department genesis was laid having a motto to make it the best department in the State. A 10,000 sqft workshop has been constructed. It is complete insulated workshop which can also be made air conditioned if the need arises. The future labs also have been made ready keeping in view the AICTE norms. Research oriented teaching is the crux of the department and faculty team is also being selected in accordance to the vision.

Library

To quench your appetite for knowledge and information, MSE has built a modern library that provides you the best ambience to assimilate all that you read here. The library also is a subscriber of international and national journals for faculties and students. A seamless connectivity is ensured to you by a college intranet and library automation for real time information sharing and collaboration.

Workshop

The laboratories and workshops are setup in spacious room fully equipped with the modern sophisticated equipments. Workshop at department can accommodate more than 100 students at a time making in one of the biggest facilities in the state.

Best Plaements by a Diploma College

The training and placement cell at MITS provides best soft skills and hard skills training to make every student ready for campus recruitment.
